

C9045 CRUSHER

HERBST C9045 CRUSHER

Compact. Tracked. Built for serious output.

- 900 x 450mm jaw crusher
- Direct feed hopper – Hardox lined
- Diesel powered hydraulic system
- 40 – 150mm adjustable crush size
- Output: 40 – 80 TPH
- Folding discharge conveyor
- Overband magnet
- Tracked undercarriage c/w dog lead remote
- Unladen weight: 14,500 kg

 **C9045 Applications:**
Recycling, Demolition,
Construction, Quarry Work,
Contract Crushing

 **Materials Processed:**
Concrete, Rubble & Brick,
Hardcore, Mixed
Aggregates

C9045 Overview

The C9045 is a robust tracked jaw crusher built for efficient on-site material processing across recycling, demolition and construction applications.

Material feeds directly into a Hardox-lined 900 x 450 crushing chamber via a direct feed hopper, delivering consistent performance in demanding environments. Crushed material is discharged onto a folding conveyor with integrated magnetic separation for clean output.

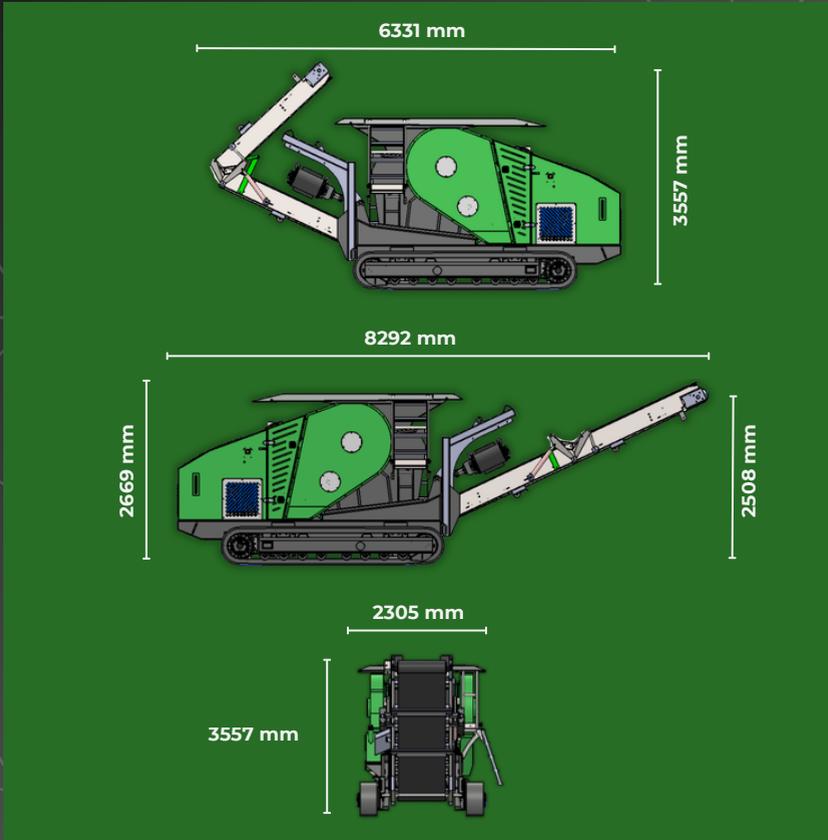

Mounted on a tracked undercarriage with remote control, the C9045 provides stable operation, accurate positioning and straightforward transport. Its compact footprint and transport-friendly design allow for easy movement between sites and containerised shipping.

-  **Versatility.** Designed to handle larger volumes across varied site applications.
-  **Innovation.** Compact folding layout engineered for efficient transport & rapid setup.
-  **Performance.** High-output on-site crushing with clean material separation.

C9045 Technical Specifications

Drawings & Key Dimensions

Transport & Working Dimensions

Transport Length / Width / Height (mm)	6,331 / 2,305 / 3,557 (20' 9" / 7' 7" / 11' 8")
Working Length / Width / Height (mm)	8,292 / 2,305 / 2,669 (27' 2" / 7' 7" / 8' 9")
Jaw Size (mm)	900 x 450 (35" x 18")
Crush Size (mm)	40 - 150 (1½" - 6")
Output Capacity	40 - 80 TPH
Loading Height / Stockpile Height (mm)	2,508 / 2,465 (8' 3" / 8' 1")
Power Source	Yanmar 3.3L Stage 5 Diesel Diesel powered hydraulic system
Undercarriage	Tracked with steel tracks Dog lead remote control
Unladen Weight	14,500 kg

Materials Processed:

- Concrete
- Rubble & brick
- Hardcore
- Mixed Aggregates
- Demolition Waste
- Primary & Secondary Materials

C9045 Applications:

- Recycling
- Demolition
- Construction
- Groundworks
- Site Clearance
- Contract Crushing
- Quarry Work
- High Volume Sites
